Women's History Month

This year we will focus on a living woman composer, Elaine Hagenberg. Her song "I Am the Wind" won the coveted ACDA (American Choral Directors Association) Choral Competition in 2020.

She is celebrated as one of today's leading choral composers, with music that "soars with eloquence and ingenuity". Her music is profoundly influenced by her connection to nature, beauty, and spiritual reflection.

As music director, I'm excited that Central can support this young woman as she continues to create and compose. Maggie Reese, Director of Music, CUMC

Walter Rap Bailey

Women at the Well of Creation are Walter Bailey's iconic 1990s award winning aRTwork from his contemporary Diversity Era (1980s and 90s). These grand women are (left to right) - Latino, Middle Eastern, European, African, Asian, and Native American.
